

LIEW JUN HONG

Software Engineering Undergraduate

012-717 4113 | junhong2609@hotmail.com | Bukit Jalil, Kuala Lumpur

PROFILE

Bachelor of Software Engineering undergraduate at Sunway University with a CGPA of 3.6. Developing practical skills in programming and responsive web development, with experience using HTML, CSS, JavaScript, Java, Python, SQL, Git and Visual Studio Code. Seeking opportunities related to software engineering to apply technical knowledge, strengthen development skills and gain industry experience.

EDUCATION

Sunway University — Bachelor of Software Engineering

September 2025 – August 2028 (Expected) | Year 1, Semester 3 | CGPA: 3.6

Sunway College JB — Foundation in Business

September 2024 — Aug 2025 CGPA: 3.54

TECHNICAL SKILLS

- Programming Languages: Java, Python, JavaScript, SQL
- Web Development: HTML, CSS, responsive web design
- Development Tools: GitHub, Visual Studio Code
- Web Layout & Styling: CSS Grid, Flexbox, media queries, transitions and animations

PROJECT

Personal Portfolio Website | HTML, CSS

- Developing a responsive personal portfolio website to present personal background, education, technical skills, projects, CV and contact information.
- Applied CSS Grid and Flexbox and created responsive layouts for desktop, tablet and smartphone screen sizes.
- Implemented styling features including skill indicators, transitions, animations and print-friendly CSS.

PART-TIME EXPERIENCE

Event, Promotion, Retail & Administrative Part-Time Roles

Various assignments

- Supported customer-facing, promotional, cashier, redemption, administrative, setup and event-crew duties across exhibitions, brand promotions and corporate events.
- Assignments included technology and audio promotion, skincare and beverage promotion, home and baby exhibitions, automotive events, photography/instant print support, flyer distribution and event setup.
- Worked across assignments involving brands/events such as BMW, BYD, Sony, Sephora and CIMB Bank, developing communication, teamwork, adaptability and customer-service skills.

LEADERSHIP & ACTIVITIES

Orientation Leader — Sunway University Undergraduate Orientation

29–30 April 2026

- Supported undergraduate orientation activities and assisted incoming students during the programme.
